abcam

ab84235

Biotin Anti-Melanoma Inhibitory Activity antibody

Anti-Melanoma Inhibitory Activity antibody conjugated to Biotin is a rabbit polyclonal antibody suitable for flow cytometry, Western blot, sELISA, and reacts with human samples.

Key facts

Isotype	IgG
Host species	Rabbit
Conjugation	Biotin
Storage buffer	Constituents: PBS
Form	Lyophilized
Clonality	Polyclonal
Immunogen	Recombinant Full Length Protein corresponding to Human MIA. Database link Q16674
Carrier free	Yes
Reconstitution	Reconstitute in PBS, 0.1% BSA
Purification notes	ab84235 was purified by affinity chromatography and then biotinylated.Filter sterilised.

Reactivity data

Flow Cyt

Expected

Species	Human
Dilution info	Use at an assay dependent concentration.
Notes	-

WB

Expected

Species	Human
Dilution info	Use at an assay dependent concentration.
Notes	-

sELISA

Expected

Species	Human
Dilution info	Use at an assay dependent concentration.
Notes	-

Target data

See full target information MIA

Function	Elicits growth inhibition on melanoma cells in vitro as well as some other neuroectodermal tumors, including gliomas.

Storage

Shipped at conditions	Blue Ice
Appropriate short-term storage duration	1-2 weeks
Appropriate short-term storage conditions	+4°C
Appropriate long-term storage conditions	-20°C
Storage information	Avoid freeze / thaw cycle

Product promise

Tested

We have tested this species and application combination and it works. It is covered by our product promise.

Expected

We have not tested this specific species and application combination in-house, but expect it will work. It is covered by our product promise.

Predicted

This species and application combination has not been tested, but we predict it will work based on strong homology. However, this combination is not covered by our product promise.

Not recommended

We do not recommend this combination. It is not covered by our product promise.

We are dedicated to supporting your work with high quality reagents and we are here for you every step of the way should you need us.

In the unlikely event of one of our products not working as expected, you are covered by our product promise.
